*Review: Great information and I love that it was proven with lots of studies and research! I found the information to be fascinating and I could see what the author was talking about in the iy generation and especially about the parenting and how they got that way. Im the oldest Generation Y (just turned 31) and this book totally helped me relate to some of...*

*Description: The one book every parent, teacher, coach, and youth pastor should read. This landmark book paints a compelling-and sobering-picture of what could happen to our society if we dont change the way we relate to todays teens and young adults. Researched-based and solution-biased, it moves beyond sounding an alarm to outlining practical strategies to:...*
